

Health Guidelines

A child should not attend Melissa's Playschool if any of the following are present:

- Fever of 101 or more within last 24 hours
- Productive cough
- Thick mucus discharge from nose
- Red or watery eyes with discharge
- Vomiting within last 24 hours
- Active case of untreated head lice

If any of these complaints develop within the school via child reporting, or caregivers observing child to be feeling unwell parents will be called to pick their child up.

Sign below that you have read these guidelines and are in agreement with them.
